

# WORSHIP GUIDE For Kids

## CALL TO WORSHIP

Listen for words that show God deserves our praise! Write them in the bubble.

## CONFESSION OF SIN

Sin is the sickness in our hearts that leads us to love or trust something more than God. Our hearts are sick with sin from the day we are born. Sin hurts God. It hurts us. And it can sometimes hurt others. God's people confess sin because they are sorry for the hurt they cause. They admit they are wrong and ask for forgiveness. Confession is the way God's children run to him when they've messed up. They know Jesus is the only one who can heal their sin sickness and give them new hearts.

## ASSURANCE OF PARDON

An assurance is like a promise. Think about the promise God made in the Bible verses we read together. What does it tell us about what God thinks about people who trust in Jesus as their Savior? Draw or write about your thoughts.

## Communion

Communion helps God's people celebrate what Jesus did to set them free from the punishment they deserved because of their sin. The bread helps them remember his body that was beaten and broken for their sins. The wine helps them remember his blood that was shed for their sins. Communion reminds God's people of the love and sacrifice of King Jesus in a way that focuses their minds to be changed by the importance of the Cross. It also helps them think about how Jesus's rescue promises them new life and forgiveness for their sins. It reminds them to show Jesus their thanks by following, loving, and obeying him. You can read Luke 22:14-20 and 1 Cor. 11:23-29 with your parents to learn more. Watch the people around you and think about how communion helps them worship God. On the way home, ask your parents how communion encourages them in the gospel of Jesus.

## Benediction

A benediction is a blessing given to God's people that reminds them of good things about him and that every good gift comes from him. What good gifts can you thank God for today?
