### CALL TO WORSHIP

Psalm 86:8-10, 15

Leader: There is none like you among the gods, O Lord,  
nor are there any works like yours.

All: *All the nations you have made shall come  
and worship before you, O Lord,  
and shall glorify your name.*

Leader: For you are great and do wondrous things;  
you alone are God.

All: *You, O Lord, are a God merciful and gracious,  
slow to anger and abounding in steadfast love and faithfulness.*

### SONG OF PRAISE

### SONG OF RENEWAL

Eternal King

### CONFESSION & RENEWAL

All: *Most merciful God, we confess that we are in bondage to sin and cannot  
free ourselves. We have sinned against you in thought, word, and deed,  
by what we have done and by what we have left undone. We have not  
loved you with our whole heart; we have not loved our neighbors as  
ourselves. For the sake of your Son, Jesus Christ, have mercy on us. Forgive  
us, renew us, and lead us, so that we may delight in your will and walk in  
your ways, to the glory of your holy name. Amen*

throughout all generations, forever and ever. Amen.

## Questions for Gospel Reflection & Application

1. Review: What's something you've been determined to put to death in your life over this past week? How did you go about trying to kill it? How did it go?
2. What qualities – good or bad – do you think our culture would say Christians have put on? What are the first and primary attributes they see in the Church?
3. What stands out to you most about the list of 7 attitudes we are to put on?
4. If there were communities of people in every city who deeply embodied these 7 attitudes, what do you think the rest of society would think of them/us?
5. Choose one of these attributes that's most difficult for you. How would a deeper and more Christlike love help you embody that attitude? How would allowing the peace of Christ to play umpire in your heart help you?
6. What does the call to forgiveness and forbearance assume? Why is this important to consider when doing life with other Jesus followers?
7. Why do you think Christians are called to teach and admonish (warn, counsel, encourage) one another *with singing*? What are some ways music accomplishes these discipleship goals when dialog or lecture falls short?
8. In your own words, what is "the expulsive power of a new affection"? How would this help you, practically, in your life right now? What's something specific you will pursue with joy in order to experience this power in you?
9. How does a constant attitude of Gospel gratitude help you with this whole pattern of putting off, being renewed in your mind, and putting on?
10. What one thing will you do to act on this message?
